The Fundamentals of Airbrushing

(Techniques and How-To's of Airbrushing)

Badger T-909 Air Compressor

Save money by using this reliable air compressor. It will give you an unlimited, consistent air supply to any brush. Automatic shut-off, runs only while you're painting. The Badger Thayer & Chandler T909 1/8th Horsepower Compressor features an adjustable air regulator, pressure gauge, built-in moisture filter and built-in airbrush holder. It is quiet, lightweight, is oil-less and maintenance free. Maximum running pressure of 56 psi.
